

"Devoted Daily"

Pastor Andrew Wharton

- To devote daily, at its root, means that each of us in God's family – members of His Church - daily live our lives towards a common goal - being devoted to God.
- Being devoted is about being grounded in the love of God.
- Mark 12:30 " Love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength."
- May our actions not become rote habits, and a source of pride that make us unable to hear from God's people or God's Spirit.
- Live as if it should be normal to let our daily lives be focused and completely submitted to following Christ.
- Once we understand what it means to devote daily, then as a community, we can help encourage and sharpen one another in this pursuit without the feelings of judgment and condemnation that so often follow church relationships and teachings
- John 15:5 (NLT) 5 "Yes, I am the vine; you are the branches. Those who remain in me, and I in them, will produce much fruit. For apart from me you can do nothing.
- This kind of life together won't make us want to hide, but will make us feel relief.
- When we are devoted to connecting to Him, we then can help others connect to Him!
- To be the church we can imagine, we will only be able to help build intimacy to God in others base upon our level of intimacy and devotion to him!
